

Education Cabinet
Department for Workforce Investment
Office of Career and Technical Education

VISION

To be an educational system that serves the needs of all students pursuing technical education and skills training.

MISSION

To develop a versatile individual by providing technical education and skills training in a safe environment.

GOALS

- Provide technical skills training to secondary students that leads to successful post high school transition.
- Enhance career exploration options for secondary students.
- Collaborate with local school districts to enhance the educational growth of all students.
- Respond to the training needs of business and industry for the community.
- Become an Area Center of Excellence for continuous improvement of quality technical education for life long learning.
